Mark in Malta – Corporate Social Responsibility:

We like to treat our planet and our people with respect. In line with our commitment to CSR Unconventional Malta has its own grove. Way back in history Malta was covered in indigenous trees such as the Olive and the Carob. Our grove is directly contributing to a major reforestation program across the islands that you can be part of too! We have a number of other CSR projects that can be worked into your program including tackling illiteracy, heritage sites and more. Please let us know if you wish us to develop some ideas for you.

Unconventional Malta is an award-winning, multi-disciplined DMC providing live communications solutions to corporations and agencies, in the areas of conference, destination and event management. Our team intrinsically understands, designs, develops and delivers the logistic, creative and strategic requirements of meetings, events and incentive planners. You'll find us hopping about the Mediterranean islands of Malta - Gozo - Comino. Understand – Design – Exceed

Other Services

We develop and stage award-winning itineraries, manage major international conferences, create exhilarating incentive trips, invent novel activities, source unlikely venues, animate your meeting with unusual antics, get tee times for your VIPs, unearth unimaginable locations, give inspirational input, provide a cohesive analysis of your event requirements including risk assessments, corporate social responsibility, budget planning and control... deliver ROI.

Portomaso, St Julian's - a carbon conscious program

At the heart of the fashionable and award winning Portomaso waterfront, the Hilton Malta hotel reflects the up-market lifestyle Malta now enjoys.

Day One

- Police motorbike escort from the airport to the Grand Harbour
- Welcome champagne reception served on board a delightful schooner
- Harbor cruise around the fortified bastions of our UNESCO World Heritage capital city, Valletta
- Hotel check-in by Hilton Malta's team members on board the schooner
- Schooner transfer directly to Hilton Malta's award winning yacht marina
- A multi-visual opening welcome session takes place using multiple screens, staging, lighting and a laser show at the Hilton Malta's Merkanti Beach Club that can take up to 3,000 people
- A Welcome BBQ follows where local fishermen bring in the catch of the day on traditional Maltese fishing boats called Luzzi which goes straight onto the BBQ!
(Significantly reduced carbon emissions as no transfers required.)

Day Two

- Meeting in the state-of-the-art Hilton Malta Conference Centre that can seat up to 1,400 people followed by a finger food lunch served on the Hilton Malta's Piazza overlooking the yacht marina
- A sailing regatta ensues after lunch designed to tackle the competitive spirit of our delegates whilst also giving them the chance to see as much of the islands of Malta, Comino and Gozo as possible in the shortest timeframe and to indulge in the pleasures of the sea, departing directly from the hotel's quay.
- Our wind swept delegates reconvene in the Hilton Malta's Quarterdeck Bar for pre-dinner drinks where they can share the afternoon's experiences
- A dine-around in the many restaurants surrounding Portomaso and St Julian's Bay allows delegates to proceed on foot and to return at leisure thereby maximizing networking opportunities.
(Significantly reduced carbon emissions as no transfers required.)

Day Three

- Corporate Social Responsibility based team building activity designed specifically by Unconventional Malta to meet the client's pre-determined strategic objectives whilst making the world a better place.
- A multi-visual closing session in the Grand Master's Suite at the Hilton Malta Conference Centre
- Themed dinner at a unique location within walking distance of the Hilton Malta
(Significantly reduced carbon emissions as no transfers required.)

Day Four

- Mid morning brunch on an exclusive spot at the Hilton Malta
- Vintage buses depart from the Hilton Malta to the airport for a lasting memory of a Malta experience!
