Hungary is a destination that many people still need to explore. Most would recognize that to attract delegates to a congress, the selection of an original location is crucial. Budapest is a magical place; hills and mountains in Buda, a line of hotels and the commercial district in Pest, and a strong sense of history.

The pleasant climate, lively festivals and cultural events show that the city is indeed the Pearl of the Danube. The city has several well located convention facilities, accommodating up to 2,000 people as well as 5,000 first class and luxury hotel rooms.

Major historical monuments of Budapest are available for use as special venues for banqueting events and social programs, including the Budapest History Museum, the Museum of Fine Arts, the Wenckheim Palace, the marvelous Gellért Bath and even the Royal Castle in Gödöllő.
